

Need to make some changes to your registration. Here's a guide to some of the most common requests that we receive from our runners and walkers. By following the steps in this guide, you can get online and manage your registration for the 2021 Missoula Marathon weekend of events.

- Start by logging into your RunSignUp account at RunSignUp.com. (RunSignUp is the registration platform used by the Missoula Marathon.) Once you're logged in, select the drop down menu and "Profile" option as shown below.

- Next, select the event for which you want to make changes and choose the “Manage Registration” option. (Note, if you’re entered in the 5K and the Marathon or Half Marathon and/or on of the Virtual Races, you’ll have to individually manage each race registration.)

The screenshot shows a navigation bar with four tabs: 'Upcoming Events' (active), 'Past Events', 'Results', and 'Deferrals'. Below are three event cards for the 'Missoula Marathon, Half Marathon, 5K & Kids Marathon' on June 12 and June 26, 2021. Each card includes a logo, date, time, location, event name, and registrant information. To the right of each card are four action links: 'Manage Registration', 'Resend Confirmation', 'Contact Race', and 'View Race Page'. A red box highlights the 'Manage Registration' link for the June 26 event, with an arrow pointing to a text box that reads 'Select "Manage Registration"'. The registrant name for the June 26 event is partially obscured by a blue bar.

- After the page opens, see the available options on the left side and at the bottom of the screen.

The screenshot shows the 'My Registration' page for Tony Banovich. The left sidebar contains a menu with 'Participant Info' highlighted in yellow. A red box highlights the 'Resend Confirmation Email/Barcode' button. A text box with an arrow points to the sidebar options, stating 'Select from the highlighted options in the side menu bar (or from the same options in the menu below)'. The main content area displays the registrant's name, registration number (#46096134), and a list of registration details including contact information, gender, date of birth, age at time of race, registration date, status, and payment information. The bottom of the page features a navigation menu with icons for Race Home, Sign Waiver, Add-Ons, My Registration, Questions, Refund Policy, Participant Info, and Giveaway.

- To change or correct your email address, mailing address, phone number, date of birth or gender, select the **Participant Info** option. You **cannot** change your name in this section. You may change this information until the close of registration on June 26th at 4:00 PM.
- To update your emergency contact information, estimated finish time, or name on your bib, select the **Questions** option.
 - Note, you will only be able to change the name on your bib through June 1st. (Which is our deadline to submit that information to our bib number vendor.)
 - The ability to change your responses on the rest of you Questions will also end at 11:59 PM on June 1st.
- To update your participant shirt size, select the **Giveaway** option. You may change your shirt size through 11:59 PM on June 1st.
- To add an optional post-race massage or an iTAB medal personalization, select the **Add-Ons** option.
 - You may add these items through 11:59 PM on June 19th.
 - You may not cancel a previously purchased massage or iTAB.
